

1 Post-Doc in Health Communication

Position

The University of Lugano (Switzerland) invites applications for a postdoctoral position to conduct research activities in the field of health communication at the Institute of Communication and Health (ICH) starting from February 2012. For more information about the Institute of Communication and Health see www.ich.com.usi.ch

Requirements Post-Doc (50-80%)

- PhD in communication sciences, psychology, sociology and related subjects. Degrees from other fields can be considered if relevant to the research projects.
- Willingness, interest and attitude to pursue an academic carrier in the field of health communication
- Language skills: candidates must have advanced knowledge of written and spoken English, and possibly one other Swiss language.
- Experience in empirical research

Application

Applicants are invited to send their curriculum vitae accompanied by a cover letter by email to Prof. Peter J. Schulz (schulzp@usi.ch). Application received by January 1st, 2012, will be given priority.

Job interviews will be held starting from the beginning of February 2012.
